

Forest Legacy Program

Multi Resource Management Plan

For

Arch Cape Forest

Prepared by: Ben Hayes, Springboard Forestry

I/We certify this Multi Resource Management Plan for the Arch Cape Forest meets all criteria set forth in the USDA Forest Legacy Program Implementation Guidelines (2017). Management according to this plan is likely to achieve desired forest conditions aligning with Forest Legacy Program goals.

By signing below, I understand I am approving this Multi Resource Management Plan and by doing so agree to manage according to this plan.
